## About us

BTG Expo GmbH is a team of specialists dedicated to managing and conducting exhibitions and events in the countries of the CIS, the Baltic States and Eastern Europe. As one of the largest international exhibition logistics providers in the region, we are the partner of choice for a large number of national and international exhibition organizers.

## Services

For years we have been working with our clients from all over the world to support them in their projects in these challenging markets; from transport to customs clearance to professional local handling. Our Russian subsidiary OOO BTG Exhibition Logistics, founded in 2010, complements our services with experienced personnel on-site and also helps Russian companies make a success of their national and international exhibitions and events.

We are a part of the BTG Group, international freight forwarding experts with over 40 years of experience in transportation and logistics as well as in global trade fair and event logistics.

## Benefits at a glance

Taken together, our team has over 500 years of experience in exhibition & event logistics.

Our various branches and affiliates offer a unique infrastructure including their own (bonded) warehouses and all the technical equipment associated with trade fairs.

We maintain offices at three of Moscow's most important exhibition venues.

We are a licensed customs carrier in all Eurasian Economic Union member states and are able to conduct customs clearance for exhibition goods in your stead.

We possess a large network of specialized agents around the world, enabling you to go wherever your business takes you.

We maintain first-class relationships with exhibition & event organizers, venues and customs authorities.
